Staff Report

for the Regular Meeting of the Board of Directors July 27, 2016

TO: Board of Directors

FROM: Marvin Davis, MBA, CPA, Finance Manager/Treasurer

DATE: July 27, 2016

SUBJECT: Quarterly Investment Report

FINANCE

RECOMMENDATION:

Receive and file the Quarterly Investment Report for period ending June 30, 2016.

BACKGROUND:

The Nevada Irrigation District's Investment Policy requires and Government Code Section 53646 encourages submittal to the Board of Directors a quarterly investment report. This report presents the District's cash and investment portfolio as of June 30, 2016. It includes all investments managed by the Agency but not those held by external trustees. Funds held by trustees or fiscal agents include assets such as bond reserve funds and deferred compensation plans.

Liquid assets are those that can be immediately accessed where the cost basis will equal its' market value. Because of the ready availability of these assets, interest rate earnings are lower than non-liquid assets.

The 2016 spending plan anticipates the District requiring approximately \$9.3 Million in cash and liquid assets are well in excess of this amount. Due to internal control improvements and market cooperation, year to day investment earnings are at \$415,828 compared to total 2015 earnings of \$487,094.
